

LYNMAR ESTATE
Russian River Valley

RESERVE TASTING \$25

Indulge in our wines; take in our beautiful views while seated among our vineyards and hosted by our gracious staff.

2006 La Sereinite Chardonnay

\$70.00 Retail

\$59.50 Advocates Club

The color is again classically light golden. The nose has a dominant core of citrus aromas, but also noticeable hints of apricot, and peach. These vintage characteristics are highlighted by toasty, grilled bread notes and uncommon minerality for a California Chardonnay. The palate upon release shows balanced acidity and firm structure, but with a solid, round mid-palate leading into a pleasantly long finish.

2005 Estate Quail Hill Vineyard Chardonnay

\$40.00 Retail

\$34.00 Advocates Club

Focused aromas of lemon meringue, cantaloupe, ruby red grapefruit and a hint of lychee dance above the spicier, earthier notes of caraway seed, vanilla bean and baked pears. Bright acidity and minerality are immediately apparent on the palate, framing notes of blood orange, Gravenstein apple, tarragon and papaya. The floral lily note typical of Musqué clone Chardonnay is also present, as are earthy notes of ginger, white chocolate and a hint of fresh Bread dough on the finish

2006 Estate Quail Hill Vineyard Pinot Noir

\$60 Retail

\$51.00 Advocates Club

There is wonderful purity in the fruit and spice notes with strawberry, currant, red raspberry, and orange pekoe tea complementing the more classic cherry cola, baking spice, and floral characters. Flavors are nicely in line with the aromas and additionally include slight “pencil shavings” reduction, wet stone mineral notes, and very subtle well integrated toasty oak. The texture here is still youthfully firm but with a vibrant energy that clearly tells you its best days are ahead

2005 Five Sisters Pinot Noir

\$100.00 Retail

\$85.00 Advocates Club

While true to type in the classically elegant Lynmar style, there is an immediate sense of depth and concentration here. The color and robe are quintessentially Pinot Noir with youthful garnet and violet tones, and a bright, varietally proper translucence (you actually should be able to see through a Pinot Noir!) In the nose bold, yet clean, fruit-driven aromas of cherry cola, black raspberry, and ripe strawberry are front and center. The fruit this year is accented by an uncommon spiciness with notes of coriander, clove, and gunflint all coming to mind, and adding nuance and interest. While there is a sense of ripeness with this vintage it comes with a wonderful sense of proportion. The palate is viscous and rich, yet light on its feet due to ultra-fine tannins and an exceptionally balanced acidity.
